- C. Personal Leave  
At the beginning of every school year each teacher shall be credited with five (5) days to be used for the teacher's personal reasons. For the first three (3) days of leave, the district will pay for the substitute, while for the fourth & fifth days of

leave, the cost of the substitute will be deducted from the employee's salary. A personal leave day may be used for any purpose at the discretion of the teacher. A teacher planning to use a personal leave day (or days) shall notify the principal as early as possible, but in any event at least twenty-four (24) hours in advance, except in cases of extenuating circumstances. A maximum of three unused district-paid personal leave days may be held over from one year to the next, with a maximum of six for any given school year. If leave days are carried over, they must be used or paid out the next year. Unused leave days will be paid out at the current substitute teacher rate. - E. Sick Leave. At the beginning of each school year each certificated employee shall be credited with nine (9) days sick leave allowance to be used for absences caused by illness, injury, poor health, quarantine, for dependent family member illness, or physical disability of the teacher. Exceptions can be made by the superintendent and/or Board of Trustees. The unused portion of such allowance shall accumulate from year to year. The superintendent may recommend favorable action by the Board for any applicant if the granting of such leave would eliminate the necessity for the involuntary termination of a certificated staff member. A certificated staff member receiving a reduction in force related leave of absence shall be placed on the recall list outlined in policy G.24.2(10) and be subject to reemployment as therein provided. Certificated staff members taking one (1) year leave of absence shall be responsible for providing the district with their mailing addresses and any changes thereof during their leave period. After 20 days in a fiscal year, the member may still be granted sick leave days but will have to pay the substitute's wages. Within any five-year period the number of days granted from the sick leave bank to one person will not exceed sixty (60) days. The number of sick leave days granted shall not exceed the number of days absent from work due to illness or accident. Grants will not be made for family members. Grants may not be used for elective surgery.
  
- E. Bank grants to individual employees will not be carried over from one fiscal year to another and all such grants will end at the termination of the fiscal year. If an employee does not use all of the days granted by the bank, the unused sick leave days will be returned to the bank. paid in full.

- F. The Sick Leave Bank Committee from each building will be comprised of classified and certified staff who must be FEA members. The committee will also be composed of one member of the FEA executive board, the Superintendent, and one Board designee. The Committee shall develop and distribute rules and procedures for orderly administration of both banks not inconsistent with the terms of this agreement.
- G. Beginning July 1, 2001 there will be two sick leave banks, one for classified personnel, one for certificated personnel. Individuals from one bank cannot borrow from the other bank.

- I. All donations will be voluntary and no employee will be required to make a donation under this provision. This donation is limited to twenty (20) days per employee/recipient per year. The donating employee shall designate who will be the recipient of the donation.
