

Coverage Period: 09/01/2023 - 08/31/2024 Coverage for: Single/Family | Plan Type: HDHP POS

Summary of Benefits and Coverage: What this Plan Covers & What it Costs

Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u> ?	\$3,000 single/ \$6,000 family in-network and \$6,000 single/ \$12,000 family out-of-network per calendar year.	Generally, you must pay all the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the policy, the overall family deductible must be met before the plan begins to pay.
Are there services covered before you meet your <u>deductible</u> ?	Yes, for in-network providers : preventive care and preventive prescriptions are covered before you meet your deductible .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet deductibles for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$4,000 single/ \$8,000 family in-network and \$8,000 single/ \$16,000 family out-of-network.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met.
What is not included in the <u>out–of–pocket limit</u> ?	<u>Premiums</u> , <u>balance-billed</u> charges, healthcare this <u>plan</u> doesn't cover, and penalties for failure to obtain <u>preauthorization</u> for services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> . <u>limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. To find an in-network provider visit <u>selecthealth.org/findadoctor</u> or call Member Services at 800-538-5038.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a provider for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network</u> <u>provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral .

All **<u>copayment</u>** and **<u>coinsurance</u>** costs shown in this chart are after your **<u>deductible</u>** has been met, if a **<u>deductible</u>** applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
