Title I-A

Notification for Teacher Qualifications

REGARDING RIGHT TO RECEIVE TEACHER INFORMATION

August 31, 2023

Dear Parent:

Federal law requires that each school district receiving Title I funds notify parents of each student attending any school receiving these funds that information regarding the professional qualifications of their child's classroom teacher(s) may be requested.

As a parent of a student attending a school receiving federal program funds, you have the right to know:

- Is my child's teacher licensed to teach the grades and subject(s) assigned?
- Is my child's teacher teaching with a provisional license, meaning the state has waived requirements for my child's teacher?
- What is the college major of my child's teacher?
- What degree or degrees does my child's teacher hold?

To request the state qualifications for your child's teacher or instructional aide, please contact Teresa Meritt-Kullhem at 208-326-5981 or if you would like more information about this school, please feel free to call the school directly.
